# video paper

Magic in your Communication

## **VideoPaper**®

is a range of  
new medias  
and communication products  
with ultra-thin video screens.

## **VideoPaper**®

is also a POS,  
postcard or greeting card,  
catalog or press kit, packaging,  
label, box...

All our products are patented.

**D-CARTE** provides a global offer,  
finished products, standard or custom.

Our achievements are high end produced  
in close collaboration with a great French industrial printer,  
**Formfil Industries.**
